Affiliate/Broker Agreement

This Agreement is between **ECS** and the listed Affiliate/Broker for Credit Repair Services, Tradeline Services, and CPN/SCN Pkgs. as well as Aged Corporation Build-outs.

I, _____, understand that **ECS** follows and abides by all laws that govern credit restoration companies (including but not limited to FCRA, FTC, CROA, TX Consumer Finance Code). We are a licensed company to do business in any state. We **WILL NOT** under any circumstances break any laws that involve credit correction. I also understand that **ECS** does not outsource its' Credit Restoration, Tradeline, & CPN/SCN Pkg. services and does all service pertaining to credit correction & Tradelines in-house. The Affiliate/Broker price for credit correction is a flat rate of \$ 800.00 per client. After an affiliate reaches a total of 10 files, the price per file will drop to \$ 600.00 per file. If a couple signs up together then an additional \$ 50.00 per file will be deducted (couples must reside at the same address).

Please understand that **ECS** will not tolerate any wrong doings and will assist authorities if any affiliate breaks any laws under any of the governing associations listed above. A copy of your license will be kept on file in our office for each affiliate. Each file will be paid for at the time of submission and will then be coded in to the bureaus and an audit will take place 30 business days after the first code to insure progress on the file. An audit will be sent to you the affiliate and not the consumer. Any mail received by the client should be forwarded to the Affiliate and then to ECS as this can sometimes speed the process. This Agreement may be terminated by either party at any time.
