If tradelines are a part of your CPN/SCN Program, our Authorized User Tradeline Order Form rules apply. By signing this form, you are authorizing "BNG" to have limited power of attorney in credit matters involving your trade lines only. This allows "BNG" the right to open your mail that contains our credit cards with your name on them. This also allows "BNG" the right to view your credit report to verify the presence of our trade lines on your report. Any mail received that does not contain our credit cards will be held, forwarded to you "the client" or returned to sender. By committing to our "Authorized User" Trade line Program that does not give you the right to use the credit in which you are added to. This program is purely to help boost your scores through available credit ratio and age/history of the account. "BNG" cannot guarantee funding on your SCN/CPN as we are not a lender.

This program is not intended to be used as a method of defrauding banks, creditors, or any other organization that requires your social security number as identification. This program is not a method to avoid paying your existing or future debts. If you created the debt, you are responsible to repay that debt. However, we will not support, facilitate, nor condone any fraudulent activity. The information here is informational purposes only and for you to use at your own risk. We are not lawyers & do not provide any legal services. We have a non-refund policy because of the work needed to give you the info.
